Certificate 3 Guarantee Program
(Funded by the Queensland Government)

Get your hands dirty and use your creativity. SmartCity offer four specialist areas to select from in the Horticulture Industry. You will be exposed to a variety of learning outcomes that could give you a head start and boost your employment prospects.

Why study with Smart City Vocational College?
SmartCity is a dynamic and convenient college option for the 21st century. We make it easy to get your education, in your world and on your terms. We’re with you every step of the way as you get the skills and qualifications you need to take your life to another level.

Learning
Training and assessment will be carried out in the workplace and is designed to assist people already working in the Horticultural industry to formalise your existing skills and knowledge.
The Certificate 3 Guarantee Program provides a Queensland Government subsidy towards the training cost for eligible Participants undertaking an Australian Qualifications Framework certificate level III qualification.

Eligibility entry requirements
To be eligible for the Certificate 3 Guarantee subsidised training, prospective Participants must:
• permanently reside in Queensland
• be 15 years of age or older and no longer at school
• be an Australian or New Zealand citizen or Australian permanent resident (including humanitarian entrants), or a temporary resident with the necessary visa on the pathway to permanent residency.
• not hold, and not be enrolled in, a certificate III or higher level qualification, not including qualifications completed at school and foundation skills training.

Certificate 3 Guarantee Program
(Funded by the Queensland Government)
