COURSE COST
Classroom training
Learners in Queensland wishing to enroll in either classroom or existing worker programs offered by Smart City Vocational College may be able to access subsidised training through the Certificate 3 Guarantee Program.

The Certificate 3 Guarantee Program provides a Government subsidy towards the training cost for eligible Participants undertaking an Australian Qualifications Framework certificate level III qualification. The objective of the program is the delivery and completion of certificate III qualifications which lead to job outcomes or career progression.

Program eligibility criteria apply and all learners accessing this subsidy must complete a Training and employment survey following their training. For more information about Certificate 3 Guarantee please refer to the Queensland Government’s fact sheet. [https://training.qld.gov.au/training/incentives/certificate3](https://training.qld.gov.au/training/incentives/certificate3)

It is important to note that eligible Learners are only able to access ONE full qualification under the Certificate 3 Guarantee program and will no longer be eligible for a subsidised training place under the Certificate 3 Guarantee program.
A co-contribution fee is payable for the Certificate 3 Guarantee Program. This co-contribution fee is the contribution to the cost of training and assessment services and is payable by students. The fee may be paid on behalf of the student by a third party, but cannot be waived.

Fees must be paid in full prior to the commencement of the course. The fees will be charged by Smart City Vocational College at a per unit rate. The co-contribution fee can change depending on the delivery method and location.

The co-contribution fee for this qualification delivered at a Smart City Vocational College campus is:

- Concessional students $25.00 ($1.67 per unit)
- Non concessional students $50.00 ($3.33 per unit)

Fee exemptions and concessions apply to eligible learners.

There is no refund of the student administration fees once the training has commenced, unless the learner has applied in writing for a refund and the application has been assessed and approved by the Campus Manager. Smart City Vocational College will provide a full refund of fees paid in advance for the program or course if it is cancelled before it starts.

**Full Fee Price**

Please contact the college for the full fee price for this course.

**VOCATIONAL PLACEMENT**

Vocational placement is to be undertaken as part of the course which is delivered in the classroom.

To be assessed as competent in this qualification, you are required to undertake a minimum of 36 shifts of mandatory Vocational placement in a hospitality establishment (referred to as the placement organisation).

The object of a Vocational placement is to provide a learner with the opportunity to undertake practical training and to gain the experience required to enable them to demonstrate competency against the outcomes of a nationally recognised qualification/course. A Vocational placement is generally an appropriate option for learners who would not otherwise have sufficient access to the facilities, equipment and range of work necessary to develop and consolidate their skills to the level required of the qualification/course, for example, learners not employed in the vocational area in which they are studying.

A Smart City Vocational College **authorised representative** will be made available to support learners to find an appropriate and relevant Vocational placement opportunity. This will be undertaken as soon as possible after the commencement of the qualification to ensure that all relevant agreements and approvals have been completed prior to commencing placement. The Vocational Placement Officer will liaise with each learner, Campus Manager and placement organisation to ensure the Vocational placement process is successful.
Learners are appropriately covered by Smart City Vocational College insurances whilst undertaking their Vocational placement hours.

In summary, the Vocational placement:

- provides learners with industry experience but is not remunerated
- is directly related to the specific units of competency/skill requirements of a qualification/course as nominated by Smart City Vocational College
- is an assessable part of a learner’s qualification where a learner is placed in a workplace to receive practical training and experience
- is suitably covered by insurance
- needs to be successfully completed before a qualification or statement of attainment can be issued

**LICENSING, LEGISLATIVE, REGULATORY OR CERTIFICATION CONSIDERATIONS**

Not Applicable

There is no direct link between this qualification and licensing, legislative and/or regulatory requirements. However, where required, a unit of competency will specify relevant licensing, legislative and/or regulatory requirements that impact on the unit.

**RANGE OF ASSESSMENTS**

- Methods of assessment to cover a range of evidence gathering, for example, written questions and answers, observation, verbal questioning, supplementary evidence including, evidence portfolio, referee report, photographic evidence, workbook activities, log book
- Assessment can be modified where necessary.
- Recognition of your current skills and or past experience/qualifications (RCC/RPL).

Please discuss your learning needs with us. Whilst the Elements/Performance Criteria are required to be at a consistent standard, there is scope to modify either delivery of training (reasonable adjustment) or how your competencies are assessed to ensure that you succeed with your chosen area of training.

*When submitting assessment items, please ensure you have followed the guidelines as outlined in the assessment booklet, for example typing/writing your name, unit of competency code, and page number on all documents etc.*

**CREDIT TRANSFER/NATIONAL RECOGNITION**

Credit transfer is where you may have completed Units or a course with another Registered Training Organisation and it is relevant and/or able to be used for your current and anticipated study. Please note that Smart City Vocational College is committed to applying Credit Transfer to Qualifications/Units completed at other training organisations. Please ensure you mention this to your trainer on/before enrolment.
CAMPUSES/STUDY HUBS
Smart City Vocational College’s extensive network of campuses and StudyHubs across Australia allow you to have face-to-face time with a qualified SmartCity trainer, undertake study or an assignment or just escape the daily grind.

SmartCity’s campuses and StudyHubs are designed and purpose built to help you achieve something great. They all feature the latest technology and a friendly, comfortable and inviting atmosphere. Many also feature barista machines and a kids’ play area as well. The technology within the campuses and StudyHubs are available to you for study purposes, e.g. computers, printer, photocopier, wifi. Feel free to use our tea and coffee facilities and chill out in the lounge area.

You can call us to arrange an appointment to meet with a trainer or simply pop in anytime during trading hours and have a chat with a Student Support Officer or Campus Manager.

SUPPORT SERVICES
If you feel that you may require personal assistance and/or support please talk to our staff. If we are unable to assist, we will put you in touch with a service that may be able to help you. We have a range of contacts with people who are skilled in dealing with difficult situations. If you feel more comfortable speaking with a female/male staff member or a person of same cultural background, please do not hesitate to ask. Any matters relating to Welfare/Guidance Services will be kept in strictest confidence – we respect your privacy on these issues.

Learners have access to learning support with Smart City Vocational College Trainers/Staff, 5 days per week between the hours of 8.00am and 4.00pm via face-to-face, telephone, email, fax, Skype, Lync or where appropriate in person. Please note that where a Learner makes contact via email, a staff member from Smart City Vocational College will endeavour to respond within 48-72 hours.

COMPLAINTS/APPEALS
Smart City Vocational College seeks to prevent complaints and/or appeals by ensuring Learners are satisfied with their training product and its outcomes. Trainers/Assessors will be fair, courteous and helpful in all dealings with Learners.
Any complaint about any assessment will be treated seriously, investigated thoroughly and dealt with according to the merit of the complaint. Appeals must be made within 21 days of receipt of assessment outcome. Please refer to Learner Handbook for further information.

USI (UNIQUE STUDENT IDENTIFIER)
All Learners who will be completing or commencing nationally recognised training with Smart City Vocational College (campus, distance or blended) will need to have a Unique Student Identifier (USI). This is a requirement of the Australian Government - Department of Industry.

A USI account will contain all your nationally recognised training records and results from 1st January 2015 onwards. Your USI will help keep your training records and results together in an online account controlled by you. Each time you enrol to study at a new training organisation, your USI will be used to store your training records and results.
If you require assistance in creating your own USI, please contact your local campus or Smart City Service Desk on 1800 BE SMART.

YOUR RESPONSIBILITIES
As Learner enrolled with Smart City Vocational College, you are expected to:

• Participate fully as an independent and active Learner
• Be responsible for the choices you make in relation to your course of study
• Be committed to your learning and own education
• Be responsible for your own academic progress in your course
• Provide accurate and up-to-date information as required for enrolment and continuing enrolment
• Abide by the Smart City Vocational College Learner Code of Conduct
• Meet any further requirements applicable to the program or funding type of your qualification

A Learner Responsibilities statement and Learner Code of Conduct are contained in the Smart City Vocational College Learner Handbook, this can be easily accessed from our website, www.smartcitycollege.edu.au
